PETITION TO VACATE HOLDING OF ABANDONMENT

U.S. Patent and Trademark Office 2011 South Clark Place Customer Window, Mail Stop Crystal Plaza Two, Lobby, Room 1B03 Arlington, Virginia 22202

RECEIVED

OCT 2 2 2004

GROUP 3600

Sir:

Applicant is in receipt of the Notice of
Abandonment, mailed September 28, 2004, which erroneously
states that the application is abandoned because of
applicant's failure to file a response within the time period
established by the Office Action mailed April 22, 2002.

It is respectfully requested that such Notice of

Abandonment be vacated as being erroneous and that the present
application be reinstated.

No fee is necessary for this petition. However, if a fee must be charged, please charge same to Deposit Account No. 02-4035, and then refund said fee as the holding of abandonment is erroneous and is entirely the fault of the PTO.

THE FACTS

Applicant received a non-final official action dated April 22, 2002. Applicant timely and properly responded within the time period established by the Office Action dated April 22, 2002, by timely filing a Response on September 20, 2002, along with payment of a two-month extension of time fee.

As evidence that such Response was timely and properly filed on September 20, 2002, attached hereto is a xerographic copy of the return postcard date-stamped by the PTO Mail Room as having been timely received by the PTO on September 20, 2002.

As it appears that the Response filed on September 20, 2002, has been lost by and in the PTO (after having been received in the mailroom and having the fee charged to applicant's credit card account), attached hereto is a duplicate copy of the Response (entitled "Amendment) dated September 20, 2002. However, the two months' extension fee has already been charged to applicant's credit account on September 23, 2002. As proof of this fact, attached hereto is a copy of the statement of Credit Card Transactions for our credit card issued by the PTO Revenue Accounting and Management System (with non-relevant application numbers redacted and the relevant entry highlighted), showing that the \$400 has already been credited to the PTO. Accordingly, the attached executed copy of the Response of September 20, 2002,

¹ The reference in the Notice of Abandonment to the Official action of April 22, 2002, as being a final rejection is erroneous. The Official action of April 22, 2002, which contains a new rejection, is expressly designated in paragraph 2(b) as being non-final. Copies of the first two pages of this action are attached hereto with the relevant section highlighted.

authorization to charge said extension of time fee. further fees are required at this time.

On March 23, 2003, March 23, 2004, and September 30, 2004, requests for status were filed. No written response was ever received to any of these requests for status.

A Notice of Abandonment was mailed on September 28, 2004.

REMARKS

In view of the above evidence, it is clear that a reply was timely and properly filed within the time period established by the Office Action mailed on April 22, 2002, and that the Notice of Abandonment has been issued in error. Indeed, the postcard by itself should be sufficient, as MPEP Section 503 states:

> A postcard receipt which itemizes and properly identifies the papers which are being filed serves as prima facie evidence of receipt of the PTO of all items listed there on the date stamped thereon by the PTO.

It is accordingly requested that the Notice of Abandonment be vacated and the present application be reinstated.
